***Closing Hymn No. _____**

Hymn is another word for song. People feel close to God and each other when they sing.
If you don't want to sing, you can always dance or hum or pretend you are playing an instrument!
Write down lyrics that stood out to you today or draw a picture of something you heard in the song.

***Benediction**

We are sent home with a charge and a blessing!

How do you feel after church today?

Prelude

Music to listen to as we gather and get ready for worship.

Announcements and Greetings

Welcome to church! Announcements tell us about what's happening at church.
Then we share the peace of Jesus' love with each other.
How many different people can you say, "Peace be with you!" to today?

Today's Scripture Lesson:

We listen for God's word written in the Bible.
Here are some words or phrases that stood out to me:

Sermon

The pastor helps us to listen and think about God's word.
Who is preaching this morning? What was their message about?

Presentation of Offerings

Everything we have comes from God. It's time to give our gifts to God because God gives so much to us.
What gifts can you share with others this week? Draw a picture or write about it here:

Affirmation of Faith

We stand together and say what we believe.

Prayers of the People

We share joys and concerns with each other before praying for our friends, neighbors, and world.
What would you like to pray for? Draw a picture or write about it here:

The Lord's Prayer

Words Jesus taught us to use when we pray.
Our Father, who art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done, on Earth as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil; for thine is the kingdom, and the power, and the glory, forever. Amen.

The Sacrament of Communion

We come to the table to give thanks to God, remember Jesus, celebrate Jesus' sacrifice, and celebrate togetherness.
